

I'm Going to Royal City
Preschool

Toddler Class

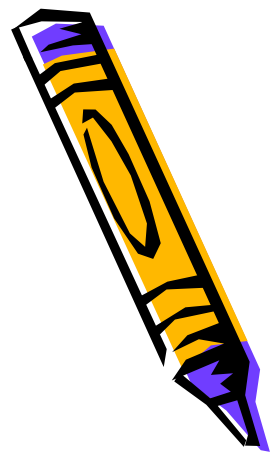

Here is the front door of
the Preschool

In September, I will be going to school at
Royal City Preschool
I will go on Tuesday and Thursday mornings.
My grown up can drop me
after 8:55 and pick me up BY 11:30am.

Stephanie

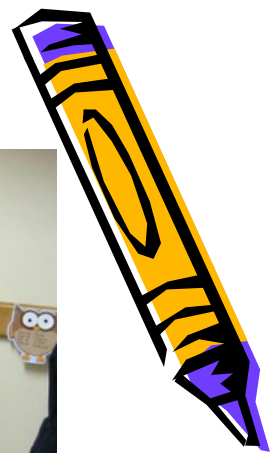

Angela

Dee

I have three teachers. Their names are Stephanie, Angela, and Dee. There may also be a volunteer high school student named Jaylin. Sometimes another teacher comes too if one of them can not be there. When I need something, I can go ask my teacher and she will help me.

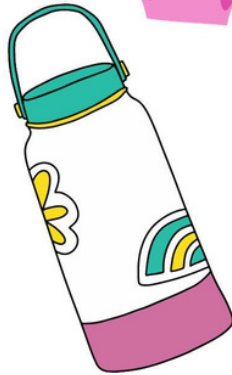

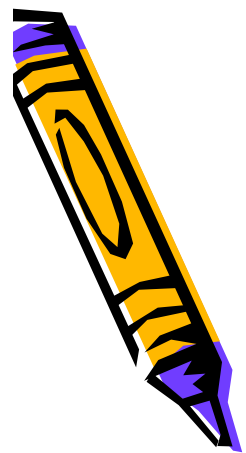

I will have a hook where I can put my coat and backpack. When I come to school in the winter, I will put on my inside shoes. I only need my indoor shoes when I wear boots outside.

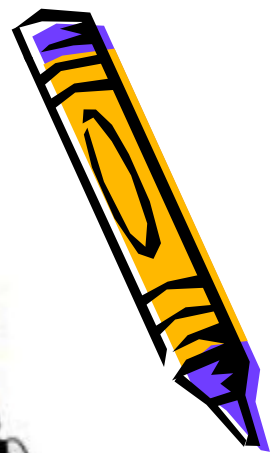

LABEL, LABEL, LABEL

When I come to school I need to bring a backpack or a bag. In my bag I need to bring extra clothes incase I get too wet or dirty from my play or from a pee accident. I will need an extra shirt, pants, socks and undies. If I still wear diapers I also need to bring diapers and wipes which will always stay in my bag, The teachers like these things in a ziplock bag with my name on. One ziplock bag for my clothes and one bag for my diapers. Every day I need to bring a water bottle filled with fresh water in case I get thirsty. **EVERYTHING** needs my name on it!!

This is the carpet area where my friends and I will sit for circle.
We will sing songs, listen to stories and listen to the teacher.

I will eat my snack at this table when it is snack time. There is lots of yummy food for me to eat.
Here is my cup that I will drink out of.

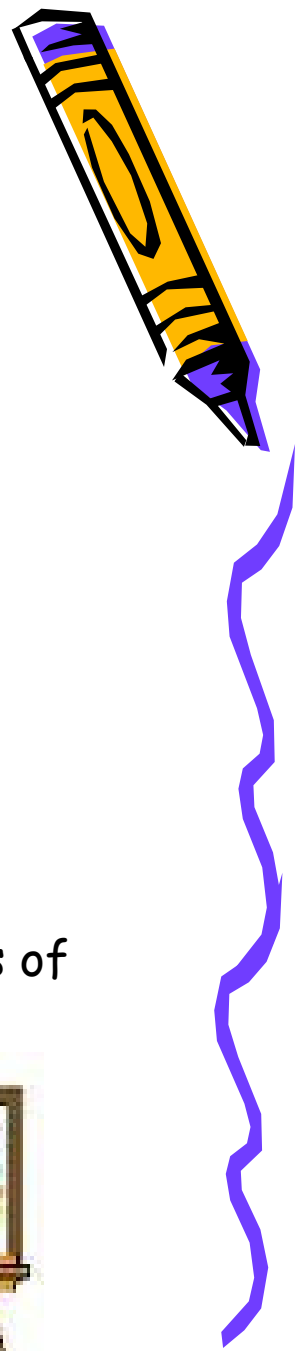

Here is the craft table. I can use scissors to cut, glue to glue things together and markers and paint. Once my work is dry, I can bring my art work home to show my grownups!

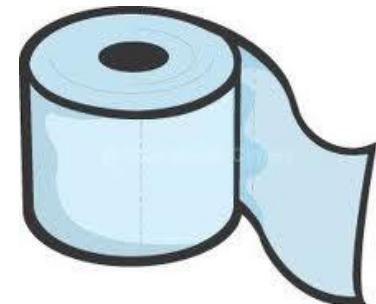

Here are some activities I can play with in my class. I will have lots of fun at school.

Here is the washroom. When I need to go, I will tell my teacher. After I use the toilet, I will remember to flush the toilet and wash my hands.

Here is the gym. This is where I can run and play games with my friends and the teachers. There is even some fun toys for me to play with!

If it is too cold or rainy outside we will play in the gym.

Here is the playground outside. We will play here at the end of the program too. I can play and climb on the climber! My grown up will always come back and get me. On nice days they will pick me up outside in the playground. On rainy days the grown ups will wait outside until I am ready.

They will always come and get me at the end of preschool.

I will have lots of fun at Preschool!
